

Mock Timer:

Our Mock Timer will be in Minutes like the final exam.

Please Note: In our Mock we have given 250 minutes while in final exam you will get only 230 minutes. 20 minutes extra is shared so that after 60th and 120th question you can take the break of 10 minutes.

Although here you have the flexibility that you can take break anytime but in actual exam you can take break only after 60th and 120th question.

Flag Questions for Review:

In our Mock or In final exam also you can “flag” questions to review it later. In our mocks, you can see a “Flag icon”  , You can click on this icon to mark those questions for review it later.

In the bottom of the screen, you can easily see the questions which are flagged for review.
